Dear grandpa

I am very much
obliged to thee ~~it~~ for
the bit it is just the
thing I wanted most

I have been saving up
my money for a long
time I have not seen ^{it} yet

Uncle Edward says it
is on board the Guiding
Star. I wish Mr Grath
had landed it I suppose
he will land it as he goes

up to Globetown Town.
Hoping that grand ma
is pretty well.

I am thy loving
granddaughter

Dear Grandpa

I thank

thee for the stirrups
they were just the
thing I wanted, it is
a hard matter to get
that will not rust
in the salt water

He did not expect
anything and we did
not want anything for
taking care of Diamond
So we were the more

surprised when Uncle
Edward told us what
thou hast so kindly
given us

Hoping Grandma
is pretty well

I remain thy affection^{te}
