Dear Sue and Sue,

I am writing to tell you about my day. I woke up early this morning and went out to the garden to pick some flowers. I counted a total of 12 tulips and 8 daisies. I placed them in a vase by the window. Then, I went to the library and read a book about bees. I learned that bees are important for pollination.

3. FRIDAY (143-144)

Today, I went to the park and played with my friends. We had a picnic near the river. We ate sandwiches, fruits, and cookies. After lunch, we played games and went on a hike. It was a fun day!

SUNDAY (145-146)

I had a lovely day on Sunday. I went to church with my family. After the service, we had a family lunch at home. We ate pizza and pasta. In the afternoon, we went to visit our grandmother. She lives in the countryside and it was nice to spend some time with her.

Yours truly,
